

ONE CARIBBEAN ESTATES

Lagoon Land

St. Peter, Barbados

US\$ 17,000,000

Description

The land consists of 24 acres of prime real estate on the Platinum Coast of Barbados. The site is located directly opposite the prestigious Port St. Charles Residences and Marina, and adjacent to the new Port Ferdinand - the future site of Nikki Beach.

The proximity to these luxury marina communities puts Lagoon Land in the heart of the high-end residential hub of the Northwestern part of the island.

The plot gently slopes upward from the Caribbean Sea toward the East and its landscape allows for the development of a combination of residences including condominiums built around a man-made lake and elevated properties with views of the Caribbean Sea.

Planning permission has been granted for the development of 200 units.

The property is located in close proximity to Speightstown, with its fish market and amenities and also close to Holetown which hosts an array of shops, restaurants and bars making the property ideally situated.
