### Description

One Caribbean Estates proudly presents for vacation rental, Oceana, a luxurious four-bedroom villa nestled in the prestigious Sugar Hill gated community, offering unmatched views of the Caribbean Sea. Situated on the sought-after Ocean Ridge, Oceana is enveloped by lush tropical flora, including frangipani, bougainvillea, ginger lilies, and coconut palms, creating a secluded paradise accessed via a private driveway. Designed with elegance, Oceana features curved doors and windows crafted from natural wood set within coral stone walls, invoking a serene, cloister-like atmosphere. The villa is enhanced by jalousie shutters, allowing the gentle sea breeze to cool the living spaces alongside ceiling fans, ensuring comfort in the island's warmth. This property boasts three bedrooms within the main villa and a fourth in a self-contained cottage, all offering air conditioning, ceiling fans, walk-in closets, and marble-adorned ensuite bathrooms. The living room, with its French windows, opens to an extensive covered terrace leading to a large pool deck with breathtaking views of the azure sea. Privacy is paramount with a separate bedroom wing featuring a twin bedroom with an option for a king-size bed and a private patio, and a Queen Bedroom Suite that opens to both the pool deck and the covered terrace. The villa's tower, echoing a medieval bell-tower, houses the Master Bedroom Suite complete with a super-king-size four-poster bed, a dressing room, and a luxurious ensuite bathroom. The suite's private veranda offers spectacular sea views. Dining at Oceana is an experience, with a partially open-air dining room that boasts a black granite table, a built-in bar, and views towards the sea, making it an idyllic spot for enjoying sunsets. Additional amenities include a one-bedroom, air-conditioned cottage with a kitchen and the option for twin or king-size beds. Guests of Oceana enjoy access to Sugar Hill's clubhouse, large pool, restaurant, fitness center, members lounge, and top-tier David Lloyd tennis facilities.
