## Sandy Lane - Evergreen

Sandy Lane, Barbados

US\$ 1,300

### Description

Nestled in the heart of three acres of lush, rolling tropical gardens is Evergreen, a private and secluded estate. This elegant villa, beautifully furnished with a unique mix of antiques and contemporary Art pieces, is located on the exclusive Sandy Lane Estate.

The property features four sprawling air conditioned bedrooms, and five exquisitely designed bathrooms. Each bedroom has its own distinctive feeling, TV and music, and wireless internet. One of the master bedrooms has an unrivaled view of the Estate gardens and two of the very gracious guest suites open onto the tropical gardens.

The villa is truly a treasure, and offers the unique quality of featuring more common areas than any other villa of that size, all designed to suit the guests' every possible mood: from the more formal living room to the expansive patios, the brand new state of the art family room that can sit comfortably a house full of guests for a movie on the 63" flat screen TV, to the Puncherie on the roof terrace (so named to reflect its perfect position to enjoy the best rum punch on the Island, while watching the sun set over the Caribbean Sea), without forgetting the Mondrian inspired bar and dancing floor, guests will never want to leave the house! But you might still want to go to the secluded pool, or down to the Sandy Lane beach (where Evergreen has its own cabana), or even stroll through the gorgeous gardens, as this property truly is evergreen!

Includes cook, laundress, housekeeping and maid service.

Tiered 3 bedroom rates available. Summer price: US \$1,300 per night

Winter price: US \$1,900 per night

Christmas price: US \$3,200 per night
