

ONE CARIBBEAN ESTATES

Foot's Cay Private Island

Foot's Cay, The Bahamas

US\$ 16,000,000

Description

Comprised of 20 acres on the Sea of Abaco in the Bahamas, Foot's Cay Private Island is an ideal private getaway. Spread across the island are a four-suite main house with professional-grade appliances, limestone floors, and a modern aesthetic, a more traditional three-bedroom cottage for guests nearby, and another two-bedroom cottage tucked away on the end of the western beach. There's also a tennis court with a cabana, a cut-out limestone harbour, and plenty of pristine white sand. It's also just 30 minutes away from an international airport, making getting to and from the island a breeze.
