## Baraka Point Estate

---

Virgin Gorda, British Virgin Islands

US\$ 16,500,000

### Description

Named after a Swahili expression which translates as "Hurry, hurry is no blessing", Baraka Point Estate is situated on the west coast of Virgin Gorda on one of the islands most spectacular snorkelling beaches with unparalleled ocean, island and sunset views.

Entirely restored, revamped and improved in the last two years, the Estate has been successfully operated as an exclusive private retreat since its completion in the early 2000s. Designed with the most discerning of travellers in mind, the property captures the colours of the Caribbean and sets them against hardwoods, sumptuous handmade silks and ethnic furnishings from Indonesia, India & China to create a unique blend of styles.

A serpentine path winds through two acres of tropical gardens, out of which rise the 12,000 square foot villa's distinctive copper-peaked pavilions with five king-size sea views suites and an additional four small children's bedrooms. A fourth, larger pavilion incorporates the spacious living, dining and entertainment areas of the villa while the Spa and Games Room occupy two further pavilions.

Baraka Point is within easy walking distance of not one but three of the BVI's finest sandy beaches at Mountain Trunk, Nail Bay and Long Bay. Fully staffed, the Villa is situated within the Nail Bay Estate. All the facilities and services of a first-class luxury resort are available within the Estate including gym, tennis, squash court and, best of all, the newly rebuilt "Sugarcane Restaurant".

Baraka Point offers an extraordinary opportunity to own a piece of world-renowned Virgin Gorda, recently voted one of the 10 most beautiful islands in the Caribbean by Conde Nast Traveler Magazine.
