Four Seasons Resort - Sundowner

Charlestown, St Kitts & Nevis

US\$ 2,700,000

Description

Rising above the 13th hole of the Four Season's™ Golf Course and encompassing 180 degrees views of the Caribbean Sea and the neighbouring islands (St Kitts, Eustacia and Saba almost 60 miles afar), Villa 1905, better known as Sundowner is the ultimate dream home. One of the first villas to be built, it is a true reflection of West Indian architecture. Combined with luxury living provided by one of the most well-known hotel brands in the world and the most coveted location within Four Seasons Resort Estates, Sundowner sets itself apart! Caribbean life is all about enjoying the outdoors. The expansive veranda running along the Western side of the villa suits all aspects of entertaining, relaxing and of course admiring the ever-changing maritime scenes. On the ground floor, more entertainment space awaits with an infinity edge, heated pool, large sundeck and a great sit-down bar for these sunset cocktails and BBQs. The interior is convivial and designed to embrace the outdoor with multiple sets of French doors focusing on the spectacular views. While the villa is the "Piece de resistance", the perfect background of colours from the mature tropical trees and plants creates a lush, vibrant and gorgeous setting.
