

ONE CARIBBEAN ESTATES

Pearns Point

Pearns Point, Jennings, Antigua and Barbuda

US\$ 3,000,000

Description

A rare and exciting opportunity to own a property in one of the Caribbean's most stunning luxury developments. Land plots on the Pearns Point peninsula extend along Antigua's western coast – a prime and unspoilt location with spectacular ocean views and unrivalled seclusion. The development pays the utmost respect to the island's native fauna and flora, utilising natural resources wherever possible and blending them seamlessly with the landscape. The tranquil shores of the seven white-sand beaches along the famous Antiguan western coast make the Pearns Point peninsula a place of outstanding natural beauty. With only 49 plots left available, homeowners will live in an exclusive development amongst the world's elite, with properties nestled along both the hillside and coastline. Homeowners will have the opportunity to customise their perfect home aided by our award-winning architects, ensuring their style is reflected into every inch of the property. A hidden jewel within the Caribbean, Antigua is a small island of pure tranquillity and immense beauty, offering a myriad of culture, exceptional cuisine, activities, and breathtaking views. Its prime location, a mere 4-hour flight from New York and 8 hours to Europe, allied with its growing economy and politically stable government makes it an ideal environment for investment. Price starting at US \$3,000,000.00
