Description

Pavilion Grove No.5, better known as Whispering Palms, is a luxury holiday villa on the West coast of Barbados. The property sits within an exclusive and low-density community of just five other detached villas. The property is ideally located within a few minutes of Holetown, the epicentre of the famous West Coast. The up and coming Speightstown is also within 10 minutes of this well-appointed villa. As a result, owners will enjoy all the essential elements of a perfect home from home. The Lone Star Restaurant, Ju Ju's Beach Bar and the beaches of Royal Pavillon and Glitter Bay are within a short stroll. Also nearby are world-class golf courses. This four-bedroom villa includes three en-suite bedrooms on the upper level. The master bedroom opens onto a large private terrace which makes it an ideal spot to enjoy the evening sunsets. The guest en-suite bedroom is located on the lower level. Also on this level is a well-equipped kitchen with separate laundry and plenty of storage space. The spacious dining and sitting/TV areas open onto a tiled side deck with a pool and shower and there is plenty of private space for lounging in the sun. The large covered terrace is possibly the main focus of the villa. This area leads off the living space which offers comfortable seating and outdoor dining.
