

ONE CARIBBEAN ESTATES

Bequia Beachfront Land

Bequia, St. Vincent & The Grenadines

US\$ 1,200,000

Description

The 440 ft beachfront at Rocky Bay is, as you might guess, rocky. But that is a huge advantage to this location as it rarely has any visitors, which is why it is so quiet and secluded. A unique private beach and large infinity pool can be constructed on the property. This 2.2 acre (approx. 100,000 sq. ft) property is located on Bequia, an island of St. Vincent and the Grenadines. Bequia is a charming island, 7 square miles with just 6,000 inhabitants where friendly faces greet you. The island offers beautiful white sand beaches, snorkelling, scuba diving and numerous restaurants to satisfy every taste. There are boat trips to many other islands in the Grenadines including the world-famous Tobago Cays. Port Elizabeth is the laid back hub of Bequia, just 5 minutes from Rocky Bay. Various shops have a surprising variety of lovely food and you can wander around the beachside paths to find vegetable stalls or buy fresh fish on the dock. Ferries offer a regular service to St Vincent where there are many places of interest to visit, stunning scenery and the vibrant capitol city of Kingstown. This property would suit a large private villa/small boutique hotel with cottages on the grounds. The Image: Artist impression of a sand entry beach infinity pool.
