US\$ 2,850,000

Description

This inviting Barbados luxury six bedroom furnished villa in the sought-after Sugar Hill Resort Community offers privacy and space to enjoy time with family and friends coupled with breathtaking views. On the interior, tasteful, neutral tones interplay with the cool coral stone finishes creating an air of simple refinement with a Caribbean twist. On the ground floor, the portecochÃre ushers you into a welcoming foyer, from which an elegant staircase ascends to the first floor, where three spacious bedroom suites are located. The comfortable main suite and one of the guest suites open onto a private terrace, where magnificent views over the pool and gardens to the sea beyond can be savoured. The ground floor comprises a well-equipped kitchen, powder room, and a sunken study and living room opening out to a generous covered terrace that flows onto the pool deck with a dining gazebo. From here, balustraded coral stone steps lead down into the beautifully maintained tropical garden. For guests or older children who prefer to have their own private space, the self-contained three bedrooms cottage, located just off the pool deck, provides comfortable accommodation. Half Century House is ideally positioned within a minuteâs walk of the clubhouse. In addition, new owners will enjoy access to the resortâs wide range of on-site amenities, which includes floodlit tennis courts, resort pool, fitness facility and 24-hour security.
