### Description

Blue Vista is an impressive coral stone luxury villa offering panoramic country and ocean views from its perch on the tree lined Turtleback Ridge. This magnificent property is ideally located in a secluded cul-de-sac of luxury private homes overlooking the West Coast of the island. This exclusive and gated neighbourhood is only 10 minutes from Holetown which is known for its white, sandy beaches, five-star restaurants, luxury shopping and vibrant nightlife, yet secluded enough to offer unparalleled privacy and a sense of serenity. Set within approximately one acre of manicured tropical gardens, this exceptional villa offers a spacious mix of an outdoor and indoor living space ideal for entertaining, whether it be large parties, an intimate family gathering or a quiet evening at home. This luxury villa is built over three floors with the unusual atrium style courtyard entrance located on the middle level. The two storey Great Room has upper windows and a minstrelâ€™s gallery on two sides to enjoy the sea views through the louvre doors. Outside there is a shaded veranda, which is one of the villaâ€™s sunset watching spots where you can have a cocktail ready chilling in the built-in wet-bar. You will encounter opulent touches within the mansion, for example a grand, curved stairway, tiled flooring and arched doorways. The main living space boasts vaulted ceilings above a magnificent chandelier. The main houseâ€™s five bedrooms all feature air-conditioning and en-suite bathrooms. In the master suite, youâ€™ll notice a walk-in closet, cable TV connections and an en-suite with a separate tub and shower. There is also a private balcony and views of the coast. Of the remaining four rooms in the main villa, two are on the ground floor and two are located on the first floor, from which to enjoy beautiful, scenic views of the Caribbean Sea.
