

ONE CARIBBEAN ESTATES

Highlands House - Sandy Lane Estate

Sandy Lane, St. James, Barbados

US\$ 5,900,000

Description

This stunning 5 bed villa occupies a prime location on High Ridge Road, with open fields to the east which allow the trade winds to gently and naturally cool the villa. Upon entering Highlands the serene atmosphere engulfs you as you cross the bridge over a tranquil stream which meanders around the villa and out into the garden. The gardens are a particular feature by day or by night with imaginative lighting. To the right of the entrance hall is a living room which opens onto a large terrace offering magnificent views of the garden, swimming pool and glimpses of the sea. Adjoining the living room is the gazebo style dining area which caters to ten people. Dining here is a unique experience, soothed by the hushed tones of the stream flowing gently through the area. For casual meals and breakfast, there is a dining terrace which opens onto the pool and BBQ area. Access to this terrace is through the wet bar which adjoins the large kitchen and service areas. There is a private cabana at the Sandy Lane Property Owners's™ Beach Facility which is approximately three-quarters of a mile from the house. This facility is for the exclusive use of the residents of Sandy Lane Estate. Also available in close proximity are golf, tennis and water sports.
