This traditional Barbadian plantation home sits in an elevated position on the southern side of the St. George Valley and offers a unique opportunity to own a piece of Barbados's™ history. The property has been well maintained by its current owner with much of its original period charm and historic elegance carefully preserved. Antique furnishings and original paintings adorn Yorkshire Great House and enhance the authentic setting that graces this historical private residence. Yorkshire Great House also features a grand and spacious reception room with original hard wood floors and high vaulted ceilings. The property also comes with the original hurricane shutters and a beautiful, grand, mahogany staircase, which all combine to give an insight to the splendor and charm that this historical colonial period enjoyed. The property also benefits from 5 expansive bedrooms all with air-conditioning and large windows to allow in the country breeze and natural lighting. Yorkshire Great House is ideally located just a few minutes north of the ABC Highway with quick and easy access to all the amenities on the south coast of Barbados.
