Known for our uniquely Laluna atmosphere, which combines Balinese influences, Italian sophistication, and Caribbean charm, Laluna is a favorite of in-the-know world travelers. Our beachfront resort, which is adjacent to the Laluna Estate property, features an Asian spa, beach yoga pavilion, Italian restaurant, and water sports including hobie cats, standup paddle boards, and snorkeling. The villas of Laluna Estate are a tremendous alternative to luxury hotel stays or expensive, high-maintenance second-home ownership. These villas provide all the benefits of luxury vacation home ownership, with zero of the hassles. In many cases, second home ownership comes with upkeep headaches; at Laluna Estate, villa owners benefit from a management contract that includes maintenance by on-site staff. Additionally, the villas provide an opportunity for extra income as owners can rent out the villa when not staying at it. All rentals are handled under the management contract, allowing for income to flow in without any of the worries of property management.

Located on the dramatic coastline of Morne Rouge, and conveniently just 10 minutes away from both the capital St

Georgesâ€™ and the Maurice Bishop International Airport, Laluna Estate is a very private and exclusive villa development nestled on over 30 acres of prime waterfront land, designed by two acclaimed Italian architects to offer a warm and intimate atmosphere where you can enjoy the casual and unique Caribbean lifestyle.

Villa owners and Landowners have full access to Laluna services and amenities. Laluna Estate has a Master Plan approved by the Government with a very attractive incentive package. Grenada has a new Economic Citizenship Program, and the buyers at Laluna Estate can apply for a Grenadian Passport for them and their families. (Gov. Fees Apply). Non Grenadian Buyers pays zero sales tax on the price (usually 11.5%) upon purchasing and 2.5% upon selling, instead 15%. Laluna is also offering financing of 50% of the sales price at 4.9% interest payable in 10 years.
