Description

One Caribbean Estates proudly presents for vacation rental Laughing Waters, one of the most prestigious luxury estates in Sandy Lane, Barbados. This expansive 4-acre, 12-bedroom property rivals the world's top luxury villas and offers additional luxuries that will make your stay truly unforgettable. Featuring quintessentially Caribbean architecture by Larry Warren, Laughing Waters melds with finer design details such as plush furnishings, seashell-adorned curtains, imported linens, bold chandeliers, and soothing water features to create an inviting yet lavish experience for all. The three-story Main House offers eight bedrooms with full en-suites, complete with central AC and large walk-in closets. Some master suites include separate living areas, secluded patios, sunlit soaking baths, and other peace-inducing amenities. On the other side of the estate, a separate Guest House provides another four en-suite bedrooms. It includes indoor-outdoor dining and living areas, a fully-equipped kitchen, and a tucked-away office for those needing to work. Upon entering the Main House, you'll reach the most coveted area of the estate—the outdoor pavilion. Enjoy lounging by the pool with cocktails in hand, watching the big screen in a plush, open-aired entertainment space, and being served informal meals in an eclectic treehouse dining area. Between the Main House and Guest Cottage are expansive Asian-inspired gardens, koi ponds, and weaving walking paths brimming with lush, exotic plants and towering palms. These lead you to the property's Great House. The Great House is where formal dinners are hosted, champagne glasses clink, and all-night laughter fills the air. It's also where you can gather for pre-dinner drinks in a cozy Art-Deco bar or host an impromptu movie night in the cinema. Balancing out all that fun with some fitness is easy in the fully-outfitted gym. Just outside the Great House, you'll also find a large, open grassy area, perfect for morning yoga or meditation sessions. A fully outfitted kids' playroom is tucked away nearby, where nannies can care for your little ones while you relax. Sandy Lane beach is also mere steps away where private, shaded loungers are readied every day. There, you can stroll over to the Beach Club Bar for a refreshing drink or call on your butlers. Secured WIFI is accessible from anywhere on the property, and Bluetooth-

enabled surround sound allows you to set the mood for any occasion. For those requiring extra discretion, a separate private gated entrance at the top of the property is available.
