Description

Plantation House is a luxurious, beautifully appointed Villa located in the heart of the exclusive Royal Westmoreland Golf and Country Club, and set in mature private gardens.

This grand villa offers eight ensuite bedrooms and magnificent views of the Resort and Caribbean Sea beyond.

On entering the villa, you are greeted by an impressive open-air lobby, which flows through to the stunning formal dining and sitting rooms. The modern, high spec kitchen, a study, and five ground floor bedrooms are accessed from this central space.

Two sets of double glass doors lead out onto the main terrace, which overlooks the pool and garden. This area is perfect for relaxing during the day and for entertaining at night and is complete with a large dining table and two separate casual seating areas.

The lower ground floor comprises a large TV/games room, with pool table, table football, and table tennis, as well as a super-size TV and direct access onto the beautiful and spacious gardens.

There are an additional two bedrooms on the lower ground floor. These rooms are ideally suitable for guests who may be traveling with their own staff (such as a nanny or pilot) or equally for teenage children.

Situated on the first floor, the master suite is accessible via a double sweeping staircase and gallery. A spacious and beautifully appointed bedroom, this is the perfect place to escape for some tranquility, to admire the views or for a 'sun-downer' on the private terrace at sunset. The entire suite is fully air-conditioned.
