## Description

One Caribbean Estates proudly presents for vacation rental in Barbados, Infinity House, a hallmark among Barbados luxury villas, offering breathtaking uninterrupted views of the West Coast's azure sea and clear skies. Nestled within the prestigious Calijanda Estate, this property is a testament to luxury, approached via a majestic avenue of Royal Palms, setting the stage for an unparalleled living experience. Infinity House spans over 8,000 sq. ft, embodying pure style and luxury unmatched in the Barbados luxury villas market. Conceived by the renowned London-based architect Alistair Downie of Harper Downie and constructed by the distinguished English bespoke property developer Guy Counter Berridge, who has called Barbados home since 2004, this villa is a masterpiece of design and craftsmanship. The villa's open-plan design is both spacious and practical, featuring six en-suite bedrooms, a stunning kitchen, and a dining pavilion, all seamlessly integrated with numerous courtyards and balconies. The inclusion of a media room, study, central living pavilion, space for a gymnasium, garage, and a 15M infinity-edge swimming pool, all complemented by over 0.5 acres of indigenous landscaping, speaks to the thoughtful integration of nature with luxurious living. A spacious two-bedroom ensuite guest apartment at garden level ensures privacy for homeowners, encapsulating the essence of exclusive living within the realm of Barbados luxury villas. Infinity House stands as a beacon of sustainable luxury, employing passive ventilation techniques to enhance airflow and reduce power consumption, large overhanging balconies to minimize solar heat gain, and energy-efficient fixtures and fittings. This commitment to sustainability ensures that the villa's luxury is matched by its respect for the environment. Crafted from the finest materials and with an unwavering attention to detail, Infinity House is undeniably one of the premier residences on the island, offering an unprecedented standard of luxury without the high running costs typically associated with Caribbean second homes. Thank you for exploring this luxury Barbados property listed on One Caribbean Estates. As the leading real estate firm serving the luxury property market in Barbados, we offer an exclusive selection of beachfront villas, modern condominiums, and stunning homes within key areas across this beautiful island, including the famed West Coast. **Rates (4**
