Coverley, Barbados

US\$ 252,500

## Description

Sugar Apple is the newest village at Coverley. The four popular home designs that first premiered in Cherry South will be offered for sale on larger lots in this new neighbourhood. The Lotus, Palm and Anthurium (three-bedroom designs) and the Begonia – a four-bedroom design.

The homes feature open-plan living and dining with modern kitchens completed with sleek melamine cabinetry and outfitted with major appliances. There is attractive wood patterned click flooring throughout. The master bedroom has an ensuite bathroom and all bedrooms have built-in cupboards.

Homes are handed over with fenced backyards, landscaping and double-parking aprons. Lots in this new village range from about 4,200 sq. ft to 7,900 sq. ft.

The thriving Coverley community has many conveniences located in its Town Centre. A supermarket, many dining options, a gym, a medical clinic, a dental office, a coffee shop, a pharmacy, a gas station, a bank and more are just steps away from homes!

Reservations are open for these exceptionally priced homes. Infrastructure work for the new village is underway, and the expected construction start date for the reserved homes is June 30 2023. Community. Convenience. Value. Book your tour with us today!
