### Description

One Caribbean Estates proudly presents for vacation rental Maddox, an exceptional property designed by the renowned architect Oliver Messel. Located on a coveted beach along Barbados's serene West Coast, the stunning Maddox beachfront estate is a captivating piece of the island's architectural legacy. Restored meticulously in the 1950s by Messel himself, Maddox became his personal residence, showcasing meticulous attention to detail through Greek columns, expansive balconies, and the use of local coral stone.
