Description

One Caribbean Estates proudly presents for vacation rental Honeycomb House, a beautifully interior designed modern vacation property and just a 3-minute walk from the beach. It features a private pool, outdoor barbeque area, fire pit, yoga studio, and a serene setting close to Holetown. Honeycomb House Barbados is a truly special villa to rent in Barbados, offering a superb location to access Holetown and the delightful West Coast Beach. Honeycomb House is just a few minutes' walk down a leafy pathway to the beach. This prime location provides easy access to Colony Club Hotel and Coral Reef Hotel to the south, and Glitter Bay and Lone Star Restaurants to the north. This serene 5-bedroom villa in Queens Fort is a passion project of one of Barbados' most well-known designers, Sophie Domenge, and was completed in 2022. It is new to the rental market. Honeycomb House includes the services of a housekeeper and chef, who can cater to a wide range of dietary requirements, including vegetarian and vegan options. A butler can be arranged at an additional cost upon request. The villa has its own private swimming pool, fire pit, covered BBQ dining area, and yoga/exercise studio. This stunning villa has been reimagined and carefully redesigned, offering the very best in finishes and workmanship. The designer collaborated with local artisans to create completely bespoke interiors, enhancing the experience of home. Honeycomb House is designed as a circle with entertainment and enjoyment spaces at its heart. The main home stretches alongside the pool deck, allowing the rooms to benefit from beautiful views and ample natural light. Standout features include 5 beautiful en-suite bedrooms. Three of these are in the main house, and the other two are in the separate cottage, all with king beds. It would be difficult to say which is the master bedroom as all four are of an equal standard. There is also a bedroom in the main house that can be a twin room with large twin beds (90cm x 210cm) or a king-size double (180cm x 210cm). This room, like all the others, has an en-suite bathroom with a rain shower open to the sky and featuring delicate live orchids. There is a hidden office and television lounge space. A welcome lounge is decorated in soft sand tones and flows onto the dining terrace. The villa has a Sonos Sound system in the lounge and all outside areas. The main kitchen features integrated

stainless steel appliances with carefully planned storage and workspaces, complemented by a lounge with a bar and barbeque area shaded by the poolside gazebo. The exercise/yoga studio sits across the pool with durable wood-toned floors, standing mirrors, and large framed glass windows overlooking the tropical gardens. There is a Peloton bike and a full set of weights for guests' use. The guest cottage includes two double en-suite bedrooms, each with a private terrace, flanking a quaint country-style kitchen. This is the perfect spot for guests to enjoy their own space. All bedrooms and the main living room have air conditioning and ceiling fans. Honeycomb House is located in the much sought-after Queens Fort community on the island's famous west coast, just a 3-minute walk from the beach. Holetown, with all its amenities, is close by, offering supermarkets, duty-free shopping, cinemas, and a medical centre. The location encourages early morning and anytime ocean swims, with beach access down a nearby leafy pathway opening to a gorgeous stretch of beach. Recently enhanced and protected, the beach invites long strolls along the ocean's edge. Collapsible beach chairs are available for guests to take to the beach if they wish. As the sun sets, the thoughtful design beckons guests to return to Honeycomb House. Relax around the carefully crafted fire pit in the private garden, sparkling with soft fairy lights.
